Forecast For Wales
Issued by Met Office Exeter
at 1600 on Wednesday 17 Mar 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cloudy, with sunny spells and showers Thursday.

This Evening and Tonight:
Staying dry with clear spells continuing through the evening for most. Cloud will begin to build across the country from the north going overnight, with hill fog forming in places. Minimum temperature 2 deg C (36 deg F).

Thursday:
A cloudy start, with lingering low cloud in places, but remaining largely dry. Sunny spells throughout, with the odd shower for northern and western areas. Breezy and feeling mild. Maximum temperature 13 deg C (55 deg F).

Outlook for Friday to Sunday:
After a damp start, drier and brighter conditions follow on Friday. The weekend staying generally dry and cloudy with light rain or drizzle. Pleasant in any sunshine, otherwise rather cool.
